

Date: March 19<sup>th</sup>, 2021  
To: Customers of Long Beach Waterworks  
Subject: Notice of Water Supply Interruption on Wednesday, March 24<sup>th</sup>, 2021

## DEAR CUSTOMER,

Clearford will be completing work at the Long Beach water treatment plant on Wednesday, March 24<sup>th</sup>, 2021 between 8:00 AM and 6:00 PM. Water service will be interrupted during this time.

Water discoloration and fluctuations in water pressure are possible once service is restored. Residents who notice discoloured water are asked to run a cold water tap for a minimum of one minute or until the water runs clear for 30 seconds to clear any sediment in household water lines.

Reminder that a Boil Water Advisory remains in effect for all customers of the Long Beach water system until further notice. Updates are available on the website at: [www.clearford.com/longbeach](http://www.clearford.com/longbeach)

We apologize for any inconvenience and thank you for your cooperation.
