

November 7, 2022

Attention: Customers of Long Beach Water Works

RE: Seasonal Water Service Shut-Down

Dear Customer,

Seasonal water service lines have been extended to Friday, November 11, 2022 due to water system repairs. We will have staff on site that week to complete the seasonal decommissioning procedure.

Please make arrangements to ensure that your property's plumbing is safe for the winter to avoid freezing pipes and property damage. Clearford is not responsible for plumbing-related damage on private property.

If you have any immediate concerns about your seasonal water service during the shut-down, please contact Dave Barnard at 905-401-1470 or Clearford Office at 289-965-8440 ext. 207.

BOIL WATER ADVISORY IN EFFECT

A Boil Water Advisory remains in effect for all customers of the Long Beach water system until further notice.

VISIT THE LONG BEACH WEBSITE

Visit the Long Beach website for the latest updates about the status of service and improvement projects for the Long Beach water system.
